

Talk on Road Safety

The Government of India celebrated 25th Road Safety Week from 11 to 17 January 2014. The theme was "*When on the road, always say 'Pahele Aap'*".

Our University conducted a Talk on Road Safety Awareness at 9:30 am on 17/01/2014 in J D Hall in collaboration with Regional Transport Office, Bardoli to celebrate the Road Safety Week. Focus of the programme was on wearing helmet by two wheeler drivers. Dr. Poonam Mittal apprised the participants about the importance of wearing helmet, the working of helmet in case of an accident and how brain injuries can be reduced and avoided simply by the use of helmet by two wheeler drivers. RTO officers explained the procedure of obtaining the driving license and asked the road users to be humble on the road. 60 students and faculty members participated in the programme.

The programme was followed by live demonstration and training by Hero Motorcycles Bardoli in which selected 30-40 students along with faculty participated.
